CARD SHOWER

Pastora
Lupita
Molina

Lupita has been struggling with some major health issues. We want to lift her and the family up in prayer and send her words of encouragement. She is fighting a blood infection that has affected her stomach, intestines, and other organs. Lupita has decided to retire as Lead Pastor, from Primera Iglesia del Nazareno to concentrate on her health and recovery, she is deeply saddened by this decision.

In 2021, she was hospitalized with covid and put into a coma. While she was in the hospital they had to do surgery. Complications of this surgery has been ongoing. They will be traveling back and forth to Fargo several times to meet with infection disease specialist that will help with blood infection prior to surgery. She has a long road to recovery. She will be undergoing surgery in May. The collection basket will be set up in the Commons Area of the church for collection. We will have the card shower through the month of April.
